VICE - CHAIRMAN

Dear Students and Parents,

With great zeal and pride, I welcome you all to GN Group of Institutes, I am confident that the Group provides you a launching pad that would fulfill all your aspirations.

We take pride in the fact that we impart "Value based Education" to our students. Having more than two decade of experience with us, we believe that an education with a strong value system can only transform the young minds of today into the leaders of tomorrow.

Our vision is based on hard work, open communication, a strong emphasis on team work and a high level of responsibility. This visionary culture allows and emphasizes our students not only to adopt the present day challenges but also individual responsibilities to the society and our nation at large.

It is our mission to ensure that every student's need is fulfilled and expectations are mat, thus enhancing the ability to acquire and apply knowledge. Our highly qualified and dedicated faculty drawn from academia and industry having impressive credentials also possess a missionary zeal in teaching and are diligently involved in shaping careers of our students.

We not only create the future instead, we craft you to measure your own.

Best wishes for all your endeavours!

Bishan Lal Gupta

Dear Students & Parents,

India is emerging as a knowledge hub on the world. We at GN Group of Institutes are thus committed to impart quality and value based education. The Institute not only extends good campus and state-of-the-art facilities to the students but we also encourage students for team work, Personal initiative and accountability among the students. We take the Responsibility of world class skilled and dedicated technocrats and managers who are competent enough to meet the global challenges.

TRAINING & PLACEMENT CELL @ GN GROUP

The Training & Placement Cell (T&P Cell) at GN GROUP OF INSTITUTES plays a vital role in helping students to connect with the industry and providing them with the necessary guidance and support to launch a successful career. T&P Cell is also helping students to bridge the gap between academia and industry, thereby helping students make a successful transition from their academic life to professional life.

Following are some of the key responsibilities of T&P Cell in the institute:

1. Organizing campus recruitment drives: The T&P Cell is responsible for inviting companies to conduct recruitment drives on the campus. This involves coordinating with the companies, scheduling interviews, and providing logistical support.

2. Providing career guidance: The T&P Cell provides guidance to students on various career paths, job prospects, and industry trends. They also provide training on soft skills such as communication, teamwork and leadership, which are essential for professional success.

3. Facilitating internships and industrial visits: The T&P Cell also arranges internships and industrial visits for students, which provides them with practical exposure to the industry and helps them develop a better understanding of the work culture.

4. Maintaining a database of students and employers: The T&P Cell is responsible for maintaining a database of all the students and their profiles, as well as a database of employers and their job requirements. This helps them to match the skills and interests of the students with the job requirements of the employers.

5. Networking with industry professionals: The T&P Cell actively networks with industry professionals and experts, inviting them to deliver guest lectures, mentor students, and provide career guidance.

AUDITORIUM & SEMINAR HALL

The campus has a well equipped auditorium with a seating capacity of over 400 people. The auditorium is spacious and well ventilated. A regular venue for conferences, professional workshops and seminars and cultural activities.

MOOT COURT

GN Group offers Moot Court facility for its law students to have the practical knowledge of drafting, pleading and conveyancing. In the moot court an artificial problem is given to the students for which they have to prepare their arguments and present it before an expert.
